Pros

- No site crashes
- Skip app optimization
- Zero server config
- Bandwidth is cheap
- Less stress (!!!)
- Offline admins are more secure

Cons

- You have to build the bakery (We're working on making this easier)
- No online database means all read, no write. (no UGC, no searches, etc.)

Demographics of draft L.A. Council districts

A city commission has proposed changes to the lines that define Los Angeles City Council districts. The public will have five weeks to review the maps and comment before the panel's final vote and a plan goes to the City Council for consideration. The table below shows the demographic breakdown of the proposed draft.

FBI file on Christopher “Notorious B.I.G.” Wallace

[Tweet](#)

The FBI has released hundreds of pages of records from their investigation into the 1997 slaying of rapper Notorious B.I.G. The records, which contain FBI files spanning eight years, come from a civil rights probe the bureau launched into the killing. The records were posted on [the FBI's website](#) and are heavily redacted.
